MEMORANDUM FOR THE INSPECTOR GENERAL FOR DEFENSE INTELLIGENCE

SUBJECT: USAF Report to the Intelligence Oversight Board,  
31 March 1981 (U) - INFORMATION MEMORANDUM

During the period 1 January through 31 March 1981, the USAF Inspector General (IG), [REDACTED] Air Force Office of Special Investigations, and Electronic Security Command continued intelligence oversight inspections of USAF activities, as outlined in the attached report. A member of the Air Force Intelligence Service IG staff accompanied the USAF IG team during several management effectiveness and intelligence oversight inspections in the Pacific area.

(U) Inspectors visited 53 units. No violations of Executive Order 12036, United States Intelligence Activities, were detected. All intelligence activities were found to be legal and proper. [REDACTED]

[REDACTED] The USAF IG conducted an Over-the-Shoulder Inspection of the Electronic Security Command during this period.

(U) Air Force inspectors will continue to monitor USAF intelligence activities for compliance with Executive Order 12036 and DOD and USAF implementing directives.
